

Companion Systems and Wingenback Enter Into Partnership Agreement

November 17, 2008, North Salt Lake, UT – Companion Systems Inc., the leading manufacturer of branded ATM surrounds, enclosures, and kiosks for the U.S. financial market, has entered into a partnership agreement with Wingenback Inc., the foremost supplier/installer of ATM environments in Canada.

Together Companion Systems and Wingenback are the largest producer and retailer of ATM environments in North America. The merger will occur immediately and both companies will keep their respective names and territories. "Right from the initiation of our partnership discussions, it was clear to me that combining the resources of both companies ensured that our customers received the best value possible" said Wayne Wingenback", President of Wingenback, Inc.

Both parties have agreed to have all ATM environment products produced at one location. Manufacturing will be merged into one principal facility located at Companion Systems' North Salt Lake plant in Utah. "By centralizing all manufacturing into one facility, we can maximize operation efficiencies," stated Al Tiley, President of Companion Systems.

Wingenback will continue selling their ATM products and services to the Canadian market while Companion Systems will focus on the U.S. market

About Companion Systems
